

OCCUPATIONAL THERAPY, DOCTOR OF - POST- PROFESSIONAL

*
Course required for the bachelor to OTD track only.

Current licensed occupational therapists with baccalaureate or master-level credentials wishing to elevate their qualification to the doctoral level are invited to apply to our post-professional Doctor of Occupational Therapy program administered in partnership with Rehab Essentials, Inc. This program is delivered 100% online in either five or seven semesters dependent on the highest-level Occupational Therapy degree a student has attained.
