

LOGISTICS & SUPPLY CHAIN MANAGEMENT CERTIFICATE

The Logistics and Supply Chain Management (LSCM) certificate equips students with essential skills for mission-critical roles across various industries, including e-commerce, manufacturing, and retail. This program prepares students for internships and careers in global logistics, transportation, distribution, procurement, inventory planning, supply chain analysis, management, and consulting while also fostering awareness of the diverse opportunities within these fields.

General Certificate Requirements

Additional requirements for graduation can be found on the Degree/Certificate Requirements for Graduation page (<https://catalog.umn.edu/academics/graduation-requirements/>).

Unless otherwise noted in individual program requirements, a minimum grade point average of 2.00 in all work attempted at the University of Montana-Missoula is required for graduation. Please see the Academic Policies and Procedures page (<https://catalog.umn.edu/academics/policies-procedures/>) for information on how your GPA is calculated.

Courses taken to satisfy the requirements of a major, minor, or certificate program must be completed with a grade of C- or better unless a higher grade is noted in the program requirements.
