

# SECONDARY LICENSURE

Students preparing to teach at the middle or high school levels (license for grades 5-12) will declare a major in the subject area(s) they wish to teach, e.g., English, mathematics, or any other of the state-approved major content endorsement areas listed previously. They are advised within their major department(s) and, upon admission to the Teacher Education Program, they also are advised within the Department of Teaching and Learning regarding the requirements necessary to earn secondary licensure. All secondary licensure students seek admission to the Teacher Education Program, usually at the end of the sophomore year.

Applicants for Montana teaching licensure must satisfy all degree and licensure requirements as outlined below and those set forth by the Montana Office of Public Instruction.

Information about the Teacher Education Program is available in the department office or on the College of Education website (<http://www.coehs.umt.edu/>).

## Teaching Licensure - Secondary Certification

### Summary

Code	Title	Hours
	Teacher Education Program Prerequisite	3
	Additional Licensure Requirements	5
	Education Coursework	15
	Education Field Experiences	2
	Student Teaching Field Experience	15
	<b>Total Hours</b>	<b>40</b>

**Degree Specific Credits:** 38

**Required Cumulative GPA:** 2.75

**Note:** The Teacher Education Program coursework is completed in addition to the education concentration of a major in a teaching content area and leads to secondary (5-12) or K-12 teaching licensure in that content area. Individuals must be admitted to the Teacher Education Program to enroll in any EDU courses. See the Teaching and Learning website (<http://coehs.umt.edu/departments/currinst/default.php>) for additional information regarding admission.

### Teacher Education Program Prerequisite

**Note:** This course must be completed before applying to the Teacher Education Program.

Code	Title	Hours
<b>Complete the following course:</b>		
WRIT 101	College Writing I	3
	<b>Total Hours</b>	<b>3</b>
