INDIGENOUS KNOWLEDGE AND ENVIRONMENTAL SUSTAINABILITY CERTIFICATE

The Certificate in Indigenous Knowledge and Environmental Sustainability focuses on examining the relationship between Indigenous communities and their environments. This includes understanding how Indigenous communities are working to restore their Native landscapes, reestablish sustainable practices, and revitalize ethnobotanical knowledge and traditional food systems.

General Certificate Requirements

Additional requirements for graduation can be found on the Degree/Certificate Requirements for Graduation page (https://catalog.umt.edu/academics/graduation-requirements/).

Unless otherwise noted in individual program requirements, a minimum grade point average of 2.00 in all work attempted at the University of Montana-Missoula is required for graduation. Please see the Academic Policies and Procedures page (https://catalog.umt.edu/academics/policies-procedures/) for information on how your GPA is calculated.

Courses taken to satisfy the requirements of a major, minor, or certificate program must be completed with a grade of C- or better unless a higher grade is noted in the program requirements.

Post-Secondary Certificate - Indigenous Knowledge and Environmental Sustainability
