- This concentration contains course requirements designed to meet state standards. Additional teaching areas can be added through completion of the education/teaching concentration of a major or education/teaching minor in that content area.

- French qualifies for a single field endorsement. However, there is a limited demand in the majority of Montana high schools for teachers with a single endorsement in French. Students should complete the requirements for a second teaching endorsement in another field in more demand in high schools.
- Study in a French speaking country, provided either through the university's Study Abroad Program or an experience considered to be equivalent, also is required.
