PUBLIC POLICY CERTIFICATE

The Certificate in Public Policy will prepare students with fundamental skills and knowledge necessary for social impact careers in the public sector. The 12-credit undergraduate certificate will teach leadership, theory, policy process, focused on solving public sector problems through data informed decision-making. Students may enter the certificate program at any point during their undergraduate studies. Some of program requirements below may count as either electives or requirements for other majors or minors, including the Minor in Nonprofit Administration.
