Required Cumulative GPA: 3.0

Notes

- The Helping Skills Certificate program is intended for working professionals in helping roles who want to further develop specific skills to initiate, establish, and maintain effective and healing relationships with the people they serve.
- The Helping Skills certificate does not prepare students for professional counseling licensure.
- Faculty may recommend the Helping Skills Certificate program as an alternative to obtaining a Master's degree in Clinical Mental Health Counseling or School Counseling as part of a student professional development plan.
- Graduate-level courses offered from other departments (PSYX, SW, EDLD, EDUC) may be considered with advisor review and approval.
