

MASTER OF ATHLETIC TRAINING (M.A.T.)

Program fee: There is an additional fee of \$1186 per semester in addition to regular tuition and fees. This fee will help cover the cost of lab equipment, accreditation costs, adjunct teaching, and software. Other fees may include, but are not limited to: criminal background check (\$55), vaccinations (\$50), NATA membership fee (\$70), ATCAS application fee (\$90), graduate school application fee (\$60), and a cadaver lab fee (\$414).

Application process: Students who desire admission into the Master's in Athletic Training Program must submit a formal application to ATCAS. Applications will open on August 1st and will be reviewed on a rolling basis until the cohort is filled.

Formal notification of admission to the Master's program will be made in writing.

Candidates who are not admitted to the program will also receive written notification of this decision. Students may be selected as alternates and if a vacancy should become available prior to summer semester, these students will be informed. Not all qualified candidates may be admitted to the Master's program due to limited enrollment in clinical experiences.

Admission Requirements for Professional Athletic Training Program (ATP)

1. Submit Athletic Training Student Application through ATCAS (found online at: <https://atcas.liaisoncas.com> (<https://atcas.liaisoncas.com/>)) (pay application fee to ATCAS \$90)
2. Students must have a minimum GPA of 3.0 for all college coursework (a GPA below 3.0 may be considered)
3. Completed pre-requisite courses with a grade of "C" or better (students may be enrolled in pre-requisite courses at time of application). Prerequisite coursework must be completed prior to the start of the professional program.
4. Official transcript(s) of all college coursework (submit to ATCAS). Obtain a current official copy of all college course work. Students must complete or be in the process of completing required course work prior to application to the professional athletic training program.
5. Submit 2 professional letters of recommendation (submit to ATCAS)
 - All recommendations must be received before an application can be reviewed and scored.
 - Please do not request recommendations from personal friends. (At least one letter from a Certified Athletic Trainer or other healthcare professional who engages in routine clinical practice is strongly recommended.)
6. Application essay, which should address your professional goals and desire for pursuing athletic training as a career. (submit to ATCAS)
7. Current resume (submit to ATCAS)
8. Program Interview- in person, videoconference, or by phone.
9. Submit secondary application to the University of Montana's Graduate School upon acceptance to AT program (<http://www.umt.edu/grad/apply/default.php>) (separate application fee from ATCAS \$60)

General Graduate Program Requirements

Graduate School policies and standards can be found on the Graduate School Policies page (<https://catalog.umt.edu/graduate/school-policies/>).

The minimum GPA for any graduate program is 3.0. Individual programs may require more than a 3.0 to remain in good standing.

The minimum grade for a course to be accepted toward any requirement is C. Individual programs may require higher grades for specific courses.
