PUBLIC HEALTH ADMINISTRATION GRADUATE CERTIFICATE

General Graduate Program Requirements

Graduate School policies and standards can be found on the Graduate School Policies page (https://catalog.umt.edu/graduate/school-policies/).

The minimum GPA for any graduate program is 3.0. Individual programs may require more than a 3.0 to remain in good standing.

The minimum grade for a course to be accepted toward any master's or doctoral requirement is C. The minimum grade for a course to be accepted toward a certificate program is B-. Individual programs may require higher grades for specific courses.

Online Program Option

This program may be completed in an online format (https://catalog.umt.edu/online-programs/definitions/). Students interested in pursuing an online degree or certificate program are strongly encouraged to contact the offering department to discuss specific program and course modalities (https://catalog.umt.edu/online-programs/definitions/) and create a plan of study with an academic advisor. The course requirements listed below may not be consistently offered via online delivery.

Graduate Certificate - Public Health Administration

- The Certificate of Public Health Administration (CPHA) requires the completion of 12 credits and can be accomplished completely online.
- The CPHA will provide students with a general overview of public health and healthcare systems at the global, national, state and local levels.
