

# MATHEMATICS M.A.

---

## Master of Arts - Mathematics Summary

| Code | Title                    | Hours        |
|------|--------------------------|--------------|
|      | Core Course Requirements | 18           |
|      | Additional Courses       | 12-18        |
|      | <b>Total Hours</b>       | <b>30-36</b> |

### Degree Specific Credits:

Thesis: 30

Professional Presentation: 36

**Required Cumulative GPA: 3.0**

### Notes

- The M.A. Program aims to provide students with a broad background in mathematics and the opportunity to concentrate on an area of special interest.
- The areas of study are Algebra, Analysis, Applied Mathematics, Combinatorics & Optimization, Mathematics Education, and Statistics.
- Candidates for admission to the Master of Arts in Mathematics degree program should have an undergraduate mathematics major in addition.
- Students may apply up to 10-credit hours of research towards the degree. The professional presentation for the non-thesis option consists of at least 2-credit hours of research on advanced-level material, culminating in an oral presentation(s) by the student.
